# IDS04 SERIES

The IDS04 series is a modern take on comfort. The sleek lining that takes place throughout the pieces in this series makes it stand out from being just an ordinary sofa. Each piece features black cap bottoms with a silver line, giving it a touch of character. With its availability to come in Genuine Leather (GLBL), Artificial Leather (ELBL), and even fabrics, there is no limit when it comes to the possible design combinations of this series.
