IDS17 SERIES

The IDS17 series is a modern take on stylish comfort. The sleek lining that takes place throughout the pieces in this series makes it stand out from being just an ordinary sofa. With its wooden top side arms, not only does it bring a professional feel, it also is long lasting and not prone to everyday wear. Each item: the armchair, loveseat, and three-seat sofa are available in Genuine Leather (GLBL) as well as Artificial Leather (ELBL). We can also offer the products in a multitude of different color fabric options, leaving you with endless design opportunities for your space.
